We work only with the finest hotels of Makkah and Madinah. You may choose anything from economy to premium, and in every segment we guarantee cleanliness, comfort, meals and proximity to the Haram. In our VIP packages: a view of the Kaaba, a private transfer and exquisite cuisine, so that you feel like an honoured guest.

An individual approach. Even in a group, you are special.

We do not work by template. Your route, room, meals, transfers and even ritual stops can all be adapted to you. Elderly pilgrims, families with children, young couples, business people: for each we find a solution that is comfortable, clear and easy.

Full transparency. No hidden conditions.

We show everything as it is. Every photo, description, price and condition on our website is true to life. You know in advance where you will stay, who you will travel with and what is included in your package. We do not sell thin air. We offer a real, transparent and honest product you can trust.
